3:30pm/or earliest arrival

End Time: 7pm

14 Practices

September 4th—December 4th

\$120 per SYC Member

\$150 per student/Sponsored  
School

The C420 is an exciting double-handed boat where the skipper and crew work together to achieve their goals. This boat is simple and safe for beginning sailors yet challenging enough for Advanced and collegiate sailors. The C420 offers more learning opportunities than any other double-handed boat in North America. Over 7000 C420s are sailed in youth programs all over the United States.
