

2018 Summer Camp

FREQUENTLY ASKED QUESTIONS

Do I have to be a member of Southern Yacht Club? All interested sailors are welcome to attend; however an SYC member must sponsor the camper. Contact the Waterfront Director, Jim Brusgard, for more information.

What are the prices for each two week session? The Early Bird registration discount amount is \$490 for members and \$600 for a sponsored guest if registered before April 1st. After April 1st, the standard registration fee will be in effect at \$515 for members and \$660 for a sponsored guest.

Are there any discounts available? There is an early bird registration discount for those who register before April 1st, all registrations after April 1st will be standard rate.

How early should I sign up for SYC summer camp? As soon as possible, classes tend to fill up quickly. Registration can be found on the SYC website at www.southernyachtclub.org, click on the Juniors tab, then Summer Camp.

I think I have registered my child, but how can I confirm it? When the registration is completed, a confirmation email is sent to the address you provided. If you did not receive a confirmation, contact the Sailing Director.

Does SYC offer before or after-camp care? SYC Offers only after-care, we do not offer before-care. You can pre-pay aftercare at the time you register for \$140 per session, or pay the drop-in rate at \$16 per child for only the days they attend. Aftercare operates from 3-5:30pm everyday.

Does the lunch program accommodate specialty diets such as vegetarian, etc? Unfortunately we cannot accommodate every sailor's individual dietary requirements through the lunch program. Campers with special dietary requirements are encouraged to either bring their own lunch daily or purchase food of their choice in the SYC Grill, through their member account or with a grill snack card.

What should my child bring to camp? Your sailor should bring a lifejacket that fits, sunscreen, a refillable water bottle, closed toe water shoes, towel, change of clothes, sunglasses, bathing suit and a bag to keep their belongings organized. Sailors with their own boats should bring all necessary gear and equipment.

What will my child learn during SYC Summer Camp? New and returning sailors are going to learn parts of the boat, sails and rigging as well as basic knots. Along with this they will also learn water safety, sportsmanship, and team work. They will be taught the fundamentals of sailing by US Sailing Certified Coaches. SYC offers children the opportunity to build confidence on the water while having fun and making new friends in the process. These sailors will create lifetime memories, and be instilled with a passion for sailing.
