*Be a part of the largest gathering of boats ever on Lake Pontchartrain and help raise money in the fight against blood cancers! Everyone is welcome to attend.*

*As a boater, we hope you will appreciate the opportunity to enjoy the sport of boating while helping a great cause and our community. There will be a party on Saturday, March 28th from 11AM-2PM at South Shore Harbor Marina in anticipation of the Sunday floatilla. Streamers may be picked up at North Sails, Municipal Yacht Harbor, Murray Yacht Sales, Seabrook Harbor & Marine, and South Shore Harbor Marina prior to the event or at the dock of The Blue Crab on March 29th. Monitor channel 72 on event day for more details. A fleet blessing will take place at 2pm. So pack the coolers, a picnic lunch and all of your friends and we'll see you on the water! Look for the large American flag for "base camp". Any cancellation due to weather will be announced at [www.leukemicup.org/msla](http://www.leukemicup.org/msla) by Friday March 27th.*
